

PERSISTENT SAR MONITORING

Get Actionable Intelligence, with Rapidly Delivered Briefings, for Persistent Satellite Monitoring Missions

THE FUTURE OF COMMERCIAL SAR INTELLIGENCE

The future of cost-effective, time-sensitive Intelligence is Persistent Satellite Monitoring powered by rapidly evolving commercial constellations. boxMica provides immediate utilization of **UMBRA High Resolution SAR Imagery** by providing Intelligence as a Service. Our service rapidly delivers actionable intelligence through Persistent SAR Satellite Missions.

PERSISTENT, TIME-SENSITIVE MONITORING

boxMica augments your monitoring bandwidth to rapidly deliver daily intelligence briefings tailored to mission specific goals. SAR's Day-or-Night & All-Weather capabilities provide a no-compromise approach to time-sensitive, mission-critical geo intelligence.

INTELLIGENCE AS A SERVICE

Intelligence as a Service lets you rapidly scale up your persistent monitoring missions fast & cost effectively. Our at-a-glance, rapidly delivered briefings streamline your operations with efficient ingestion of SAR Intelligence for large-scale Intelligence operations.

SAR USE CASES

- INTELLIGENCE & SURVEILLANCE
- MARITIME & BORDER SECURITY
- TIME SENSITIVE MONITORING

CUSTOMER SAR MISSIONS

- PERSISTENT SITE MONITORING
- CHANGE & EVENT DETECTION
- GROUND MOVING TARGET INDICATOR (GMTI)
- COHERENT CHANGE DETECTION
- AI AUTOMATION & ENHANCEMENT
